Dear Mr. Goldsborough:

On behalf of the students, staff, and community of Big Spring, I would like to thank you and your organization for your generous gift to our school district.

Big Spring has been so fortunate to be a destination of choice for the hang gliding competitions over the years and your motto, "Helping children wherever we fly" is a lovely way of leaving your mark on our little town. School supplies and backpacks for children in economic need provides tangible support for education and gives pride to the students whose lives you've touched.

Please extend our gratitude to those folks who made this gift possible and let them know that what they do, and how they do it, does make a difference!

Sincerely,

Ann McClarty
